

### THE 4 C'S

Whether it is the depth of *the colour*, *the clarity*, *the size* of the stone or *the cut*, we can provide you with something that captivates your desires.

### RARITY

The more unique the combination of the 4 C's, the rarer and more valuable the stone.

## TANZANITE EXPERIENCE

— Experience Tanzania's history, mystery and rarity —

### Exquisite Tanzania

1,000 times rarer than diamonds, this extraordinary rare gemstone can only be found at the foothills of Mount Kilimanjaro, Tanzania.

### Select

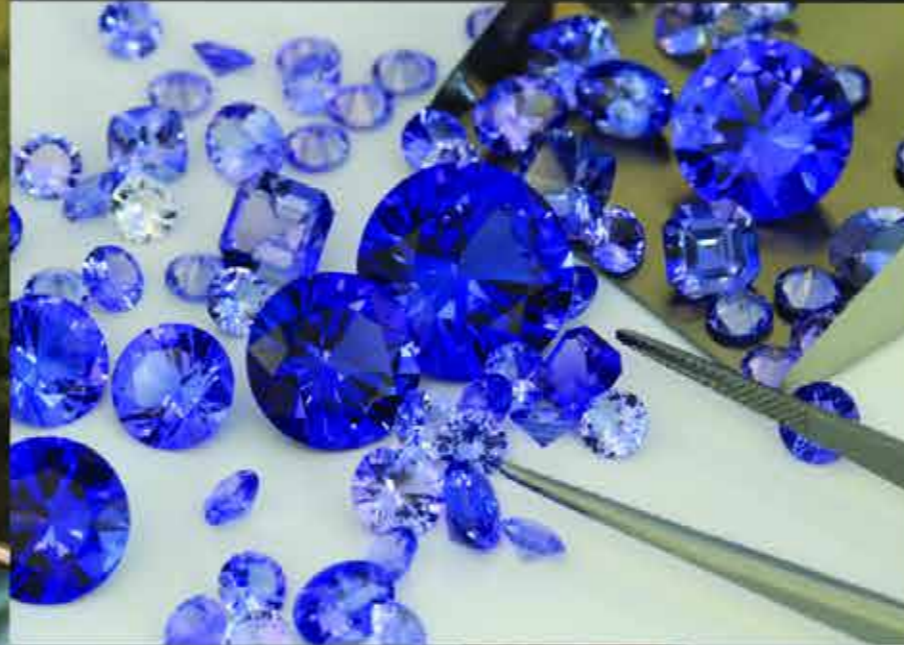

With our highly trained team you get expert advice on the grading of Tanzanite and how to select the perfect stone for you.

### Ethical

Thanks to the association with our partners, every stone has followed an ethical route to the market, making it possible to offer only top-quality gemstones to our customers directly from the source.

Take our exclusive museum tour and experience the story from 'rock' to 'gem'

### Buy

Authentic high quality Tanzanite, certified by the Tanzanite Laboratory, an Internationally recognised certification system.
